**SUPPLEMENTARY INFORMATION:** Under Section 301 of Public Law 101-445 (7 U.S.C. 5341, the National Nutrition Monitoring and Related Research Act of 1990, Title III) the Secretaries of Health and Human Services (HHS) and Agriculture (USDA) are

directed to issue at least every five years a report titled *Dietary Guidelines for Americans*. The law instructs that this publication shall contain nutritional and dietary information and guidelines for the general public, shall be based on the preponderance of scientific and medical knowledge current at the time of publication, and shall be promoted by each federal agency in carrying out any federal food, nutrition, or health program. The *Dietary Guidelines for Americans* was issued voluntarily by HHS and USDA in 1980, 1985, and 1990; the 1995 edition was the first statutorily mandated report, followed by subsequent editions at appropriate intervals. To assist with satisfying the mandate, a discretionary federal advisory committee is established every five years to provide independent, science-based advice and recommendations. The DGAC consists of a panel of experts who were selected from the public/private sector. Individuals who were selected to serve on the Committee have current scientific knowledge in the field of human nutrition and chronic disease.

**Appointed Committee Members:** Fourteen members currently serve on the 2015 DGAC. They were appointed by the Secretaries of HHS and USDA in May 2013. Information on the DGAC membership is available at [www.DietaryGuidelines.gov](http://www.DietaryGuidelines.gov).

**Authority:** The 2015 DGAC is authorized under 42 U.S.C. 217a, Section 222 of the Public Health Service Act, as amended.

**Committee's Task:** The work of the DGAC is solely advisory in nature and time-limited. The Committee is tasked with developing recommendations based on the preponderance of current scientific and medical knowledge using a systematic review approach. The DGAC will examine the current *Dietary Guidelines for Americans*, take into consideration new scientific evidence and current resource documents, and develop a

report that is to be given to the Secretaries of HHS and USDA. The report will outline science-based recommendations and rationales which will serve as the basis for developing the eighth edition of the *Dietary Guidelines for Americans*. It is planned for the Committee to hold approximately seven public meetings to review and discuss recommendations. This will be the sixth meeting of the 2015 DGAC. Meeting dates, times, locations, and other relevant information are announced at least 15 days in advance of each meeting via **Federal Register** notice. As stipulated in the charter, the Committee will be terminated after delivery of its final report to the Secretaries of HHS and USDA or two years from the date the charter was filed, whichever comes first.

**Purpose of the Meeting:** In accordance with FACA and to promote transparency of the process, deliberations of the Committee will occur in a public forum. At this meeting, the Committee will continue its deliberations.

**Meeting Agenda:** The meeting agenda will include (a) review of Committee work since the last public meeting and (b) plans for future Committee work.

**Meeting Registration:** The meeting will be publicly accessible by webcast on the Internet. Registration is required and is expected to open on October 23, 2014. To register, please go to [www.DietaryGuidelines.gov](http://www.DietaryGuidelines.gov) and click on the link for “Meeting Registration.” To register by phone, please call National Capitol Contracting, Shayla Edmonds at (703) 243-9696 by 5:00 p.m. E.S.T. November 3, 2014. Registration must include name, affiliation, and phone number or e-mail address. After registering, individuals will receive webcast access information via e-mail.

**Written Public Comments:** Written comments from the public will continue to be accepted throughout the Committee’s deliberative process. Written public comments

can be submitted and/or viewed at [www.DietaryGuidelines.gov](http://www.DietaryGuidelines.gov) using the “Submit Comments” and “Read Comments” links, respectively. Those commenting are asked to provide comments as early as possible in the Committee’s process to increase the opportunity for meaningful impact. There is no deadline for comment submission prior to each public meeting. The Committee requests that commenters provide a brief (250 words) summary of the points or issues in the comment text box. If commenters are providing literature or other resources, complete citations or abstracts and electronic links to full articles or reports are preferred instead of attaching these documents to the comment.

**Meeting Documents:** Documents pertaining to Committee deliberations, including meeting agendas, summaries, and webcasts will be available on [www.DietaryGuidelines.gov](http://www.DietaryGuidelines.gov) under “Meetings.” Meeting information will continue to be accessible online, at the NIH Library, and upon request at the Office of Disease Prevention and Health Promotion, OASH/HHS; 1101 Wootton Parkway, Suite LL100 Tower Building; Rockville, MD 20852; Telephone (240) 453-8280; Fax: (240) 453-8281.
